CHOCOLATE MILK FRAPPÉ COOKIE SHOT

Yield: 12 shots

Ingredients:	Conagra SKU:	Measure:
Chocolate chip cookie shot "glasses" (SUBRECIPE next column)		12 each
J. Hungerford Smith® Marshmallow Topping	27000 25630	1 cup
Swiss Miss® Chocolate Frappé (SUBRECIPE next column)		24 fluid oz.
Reddi-wip® Real Cream Whipped Topping	70272 49138	1 cup
J. Hungerford Smith® Mellocream® Chocolate Fudge	27000 22000	½ cup
Cocoa powder		¼ cup
Mini marshmallows		½ cup
Mini chocolate chips		½ cup
Colorful straws		12 each

Preparation:

For Each Shot:

1. Dip one side of shot glass in marshmallow topping and allow excess marshmallow to run down side of cookie shot. Place on a wire rack to allow to drip.
2. Fill cookie shot with 1-2 fluid ounces of Swiss Miss® Chocolate Frappé.
3. Top with ½ teaspoon of Reddi-wip® followed by ½ teaspoon drizzle of chocolate fudge and a dusting of cocoa powder. Garnish with 3-5 mini marshmallows, chocolate chips and a colorful straw.

CHOCOLATE CHIP COOKIE SHOT "GLASSES"

Yield: 12 shots

Ingredients:	Conagra SKU:	Measure:
Vegetable shortening		¾ cup
Brown sugar		⅓ cup
Granulated sugar		¼ cup
Large egg		1 each
Vanilla extract		1 tsp.
All-purpose flour		2 cups + 2 tbsps.
Mini semi-sweet chocolate chips		1 cup
J. Hungerford Smith® Chocolate Waffle Cone & Enrober Coating	27000 12260	1½ cup

To Prepare Cookie Shots:

1. Heat oven to 350°F.
2. Use a hand blender or stand mixer with paddle attachment to combine vegetable shortening, brown sugar and granulated sugar until it forms a thick paste. Then add egg and vanilla extract and mix until fully combined.
3. In a large bowl, slowly fold wet ingredient mixture into flour and salt, by hand, using a rubber spatula. Mix until a dry crumbly dough forms.
4. Once the dough is formed, stir in chocolate chips. **NOTE:** This dough will be drier than most conventional cookie doughs. This is the kind of dough that is ideal for cookie shots, so **DO NOT** add water.
5. Spray cookie shot molds and inserts with non-stick spray (works best with cookie shot glass pan set). Divide dough into 12 2-ounce balls.
6. Press each dough ball into cookie shot molds, making sure each dough ball is firmly pressed all the way to the bottom of the mold. Make a small imprint with your index finger in the center of each cookie shot (this will be a guide when pressing the cookie shot with the insert).
7. Firmly press cookie shot insert into each dough ball until excess dough begins to be squeeze out the top each mold.
8. Use a paring knife to cut away excess dough from around the rim of cookie shot molds. Bake at 350°F for 18-20 minutes.
9. Do not remove insert until cookies have cooled completely. When cookie shots are cool, fill each shot to the top with the enrober coating and then pour out excess enrober, leaving a chocolate layer on the inside walls of the cookie shot. Allow enrober to set inside each shot before filling.
10. Dip bottom quarter of the exterior of the cookie shot in the enrober coating as well and allow to set.

To Prepare Chocolate Frappé:

1. It is best to prepare this recipe right before you are ready to fill your cookie shots. Combine all ingredients in a blender and blend on medium-high speed until a smooth slushy texture is achieved.
