

Boss®

Job Master

- Pigskin leather gives natural durability and breathability as pigskin is naturally porous, this means that the leather will become softer with use.
- 4-way stretch spandex is a thin and breathable material that will stretch both width and lengthwise, ensuring peak dexterity while allowing the back of your hand to remain cool.
- Boss ComfortCuff closure technology gives you a custom secure fit to your wrist while keeping your hands free from unwanted dirt and debris.
- Reinforced palm patch gives an additional layer of protection to the palm of your hand.
- Airprene Padded knuckles offers back of hand protection and durability in a normal high wear area
