Boss®

Utility

- Synthetic Leather Padded Palm reduces vibrations, improving comfort and minimizing hand fatigue.
- Birdseye & Spandex shell is breathable, stretching in all directions for dexterity and cooling.
- Boss ComfortCuff closure technology offers a secure fit to your wrist while keeping hands clean.
- Airprene padded knuckles provide back-of-hand protection and durability in high-wear areas.
- Touchscreen capability lets you stay connected to your device without removing your gloves.
