INNOVATIVE GEAR FOR AN OUTDOOR LIFESTYLE

For over 25 years, GCI Outdoor has taken a passion for the outdoors and innovation, and created gear that is built for adventures big and small. With inventive, yet practical features, we are the gear of choice for campers, tailgaters, sports parents and beach-goers alike.

"Think Outside™" isn't just a tagline, it's how memories are made and we're proud to be part of that experience.

KICKBACK ROCKER™

Our lightest and most compact rocker to date, the Kickback Rocker packs a big punch for its mid-size stature. The Kickback Rocker sits slightly lower than standard size chairs, but higher than low to the ground chairs – making it the perfect chair to kickback in! It features patented Spring-Action Rocking Technology™ for smooth rocking on flat, hard and soft terrains. Designed as a bagless chair, it is equipped with a built-in carry strap and loop and peg closure system. This offers a quick set up and pack up. Additional features include a beverage holder and cell phone pocket.

FEATURES

FREEFORM ZERO GRAVITY LOUNGER™

Legz Up Technology™
Handle smoothly raises and lowers leg rest while backrest is vertical.

Lift legs while staying upright, or fully recline!

Experience a new kind of outdoor luxury with the Freeform Zero Gravity Lounger. The first of its kind, the Freeform Zero Gravity Lounger can switch seamlessly back and forth between two “modes” – Freeform Mode and Zero Gravity Mode. Freeform Mode allows you sit upright, and smoothly raise your legs with the easy-to-use handle. Zero Gravity Mode allows your entire body to recline into a weightless position.

Additional features of the Freeform Zero Gravity Lounger include an adjustable headrest, position locks to keep you reclined as much or as little as you'd like, and a combination beverage and phone holder.
