

**KRUD KUTTER®
CARPET STAIN REMOVER PLUS DEODORIZER**

DESCRIPTION AND USES

Krud Kutter® Carpet Stain Remover plus Deodorizer formula surfactants penetrate deep into the carpet fibers to break up and eliminate dirt, grease, odors and stains. Krud Kutter Carpet Stain Remover leaves no sticky residue, so your carpet stays clean, fresh and soft. It is safe for all carpet types, including nylon, and other synthetic carpets, as well as stain resistant carpets. Special polymers repel dirt and stains so next time it is easier to clean.

Krud Kutter® Carpet Stain Remover plus Deodorizer is used and recommended by cleaning professionals to remove the toughest stains, including tracked-in dirt, grease, mud, clay and food spills. It even cleans motor oil, cola, grape/berry juice, red wine, coffee, urine, spaghetti sauce, shoe polish, bloodstains and more. It is ideal for removing pet stains and odors.

PRODUCT APPLICATION

DIRECTIONS

CARPET CLEANING TIPS

- Move furniture and vacuum area to be cleaned. Make sure all loose strands, seams and edges on your carpet is secure.
- Pre-treat any unusual or especially stubborn spots or stains by using KRUD KUTTER (in undiluted form) as a stain remover prior to cleaning carpet.
- If additional cleaning is necessary on heavily soiled areas, make sure carpet to be cleaned is nearly dry before re-cleaning.
- When you are finished, open windows and doors for faster drying. In very cold weather, turn on the heat. In very warm weather, turn on the air-conditioning.
- If you want to replace your furniture before the carpet has completely dried, place a piece of aluminum foil under furniture legs to prevent the furniture from staining the carpet.

PRODUCT APPLICATION (cont.)

BEFORE CLEANING

Test for colorfastness on a hidden section of carpet. Remove loose dirt from area to be cleaned. For wet spills, blot area with a clean, absorbent cloth. Follow the directions below.

DIRECTIONS - CARPET STAIN REMOVAL

Spray soiled area and allow to penetrate for one minute. Gently rub with a clean absorbent cloth or towel. Rinse with a clean damp cloth. Repeat as needed. Allow to dry completely and then vacuum. For best results, use promptly after the spot occurs, and do not over wet carpet or fabrics. Some stains will cause permanent discoloration, even after cleaning.

WARNING: Do not mix this product with other chemicals.

CAUTION! SEVERE EYE AND SKIN IRRITANT. In case of contact with eyes or skin, flush with water for at least 15 minutes. If irritation persists, seek medical attention. If swallowed, take large amounts of water. **Do not induce vomiting.** Get medical attention.

KEEP OUT OF REACH OF CHILDREN.
