

America's Finest Quality Cabinet Hardware
Innovative Designs • Timeless Beauty

Lauréy

Top Designers Throughout the Americas and the World Prefer Lauréy Hardware.

Lauréy features the most innovative styling, original marketing ideas and a dedication to service that is truly unparalleled. The entire Lauréy team works consistently to upgrade its programs and products to meet the needs of an ever changing marketplace.

America's Finest Quality Cabinet Hardware.

Lauréy quality means no callbacks and no returns. All Lauréy products are designed to surpass the harshest of tests. Whether the issue is durability, strength or finish quality, Lauréy products beat the standards. That's why we are the only Cabinet Hardware manufacturer to provide an all points guarantee on every single product we produce!

Unlimited Lifetime “No Questions Asked” Guarantee

Every single Lauréy cabinet hardware product is guaranteed for as long as the consumer owns their home.

- Our finishes are designed and tested to withstand corrosion by moisture and salt air.
- When properly maintained, our finishes resist abrasion and enhance the luster and exquisite beauty of our products for years.
- All Lauréy die-cast, stamped and solid brass products are protected by triple treatments of long-lasting genuine lacquer which is the only coating designed to enhance the finish without discoloring.

Only Lauréy offers the Unlimited Lifetime
“No Questions Asked” Guarantee!

A New Definition of Service.

Lauréy professionals are trained to offer you the correct assortment of products and merchandising systems to maximize sales and profits. Lauréy offers both width and breadth of product inventory. No supplier offers greater flexibility to meet your needs or the following guarantee.

Aero-Hinges™

New Fully Concealed European design Self Closing Hinges with a new built-in Soft Closing feature. Installs just like traditional Concealed Hinges but eliminates the noisy clatter of cabinet doors slamming. 2 way adjustable feature. Snap-on Base. The hinges can be used in place of any similar function hinge.
