

HI-VIZ FASTFIT®

HIGH-VISIBILITY HAND PROTECTION

Hi-Viz FastFit® work gloves are constructed with fluorescent and reflective materials to make you more conspicuous in hazardous, low-light environments. Our most versatile work glove features a stretch-elastic closure for easy removal between tasks and TrekDry® to keep your hands cool and comfortable. The Hi-Viz FastFit features reflective print to provide eye-catching luminance and keep you in safe view on the job. The palm side of the FastFit is built with touchscreen capable 0.6mm synthetic leather and constructed with pinched fingertips so you have more control and better fingertip strength than ever before.

REFLECTIVE

High-visibility reflective ink improves visual awareness in low-light environments.

HIGH DEXTERITY

0.6mm synthetic leather provides optimal dexterity while you work.
