Dedication

In Memory of Tommy Thomson

It is with great sadness that the Monterey Lawn & Garden team announces the passing of William "Tommy" Thomson.

Tommy attended Cal Poly, San Luis Obispo and graduated in 1961 with a degree in Crop Science. He began his long career with Elanco (Eli Lilly) as a sales representative and continued into marketing with them until 1974. He then moved back to Fresno, CA and joined Monterey Chemical Company as Vice President. The company name later changed to Monterey AgResources, and, in the early 1990's, Tommy started Monterey Lawn and Garden Products which became the retail line for Monterey AgResources. Tommy headed the new company as President with the goal of tailoring products for the home garden market. It was Tommy's idea to take professional-grade agricultural products and package them in smaller sizes to sell to home gardeners. He firmly believed that every gardener should have access to the highest quality products. Tommy helped grow the business and watched as it became one of the top five companies within the market.

In 2013, Brandt Consolidated, Inc. purchased Monterey AgResources and asked Tommy to manage the transition as the companies merged. He was originally asked to stay on as a consultant for three years. Luckily for our team at Monterey Lawn & Garden, Tommy kept on working. He was always adapting to new challenges which were prevalent in the last few seasons. His hard work, dedication, and knowledge of this market helped our company thrive well beyond those three years he initially planned to work. In Tommy's spare time he spent weekends on his mountain property near North Fork with his wife Clare. He loved to work the land and spend time with friends there. He had an inherent love of the outdoors, gardening and getting his hands dirty. Tommy was also a voracious reader and enjoyed a wide range of genres and subjects. He could even be seen sharing books and recommendations with his fellow employees.

Tommy came into the office daily and spent his "golden years" working with the Monterey team with no intention of ever slowing down. He could always identify any weed, pest, or disease issue to help a fellow gardener with a problem. Tommy was always looking forward and seemed to be able to anticipate trends in the market at the right time. His wealth of knowledge in this business made him an irreplaceable leader of our team, and this company would not have grown to be what it is today without his foresight and vision. When asked about Tommy's impact on Monterey, President Bard Brown said, "Sometimes you know people that you can never learn everything they know, but you try."

Our team at Monterey continues to mourn the loss of our mentor, leader, and friend. Tommy had a sharp wit, infectious laugh, and treated Lawn & Garden employees with the highest level of respect. Tommy had an incredible impact on all who knew him, and his presence is sorely missed. Our Monterey team will continue to honor the hard work and dedication he had to this company and community.

Fertilizers

Monterey offers a diverse line of granular and liquid fertilizers to help promote plant growth for the home gardener. These products contain necessary nutrients and naturally-based ingredients to promote bloom and flowering in plants.

***Epsom Salts**
(9.8% magnesium sulfate)

- OMRI Listed for Organic Gardening
- Promotes bloom in roses and other flowering plants
- Cures magnesium deficiency
- Absorbed through the roots and foliage of plants to help the plants produce chlorophyll

Product	Epsom Salts
Pkg. Size	4 lb
LG Product No.	LG 7220
Case Pack	6
Item UPC	0-22179-10084-8
Case UPC	100-22179-10084-5
EPA Reg. No.	n/a

***Folli-Cal®**
(10% calcium + 2% nitrogen)

- Liquid calcium formulation based on 10% calcium acetate
- For use on tomatoes, peppers, eggplant, etc. to prevent calcium deficiency disorders such as blossom end-rot and bitter-pit in apples
- Folli-Cal can be used on vegetables as well as tree and vine crops

Product	Folli-Cal®	
Pkg. Size	Pint	Gallon
LG Product No.	LG 7204	LG 7196
Case Pack	6	4
Item UPC	0-22179-10081-7	0-22179-10496-9

Traps & Lures

Citrus Leafminer Trap & Lure

- Citrus leafminer moths may be captured in traps almost any time during the growing season, however, this species is most abundant when citrus is flushing in the summer and fall months
- Use at least one pheromone trap per five acres

Codling Moth Trap & Lure

- A pheromone lure that attracts the male codling moth and traps it
- Can be used to monitor the moth population, and determine when to begin insecticide application
- For use on apple, pear, and walnut trees

Olive Fruit Fly Trap & Lure

- Advanced trapping system for olive fruit flies
- Attracts the fruit fly and traps it, letting you know if and when to treat trees for the pest
- Easy setup and can be used on many varieties of olive trees

Peach Tree Borer Trap & Lure

- Controls peach tree, dogwood, and other borer moths
- A pheromone lure that attracts the male moth and traps it

Spider Trap

- Sticky traps that catch spiders, are safe for organic uses, and contain no pesticides

Yellow Sticky Traps

- Controls insects without any insecticides; attracts insects by color
- Traps are ready-to-use, moisture resistant, and pesticide-free

Turf & Pond Dyes

Monterey® Black, Blue & Dark Blue Pond Dyes

- Super strength – One quart treats one acre of water (4 - 6 ft. deep)
- One quart concentrate is four times stronger than competitive products
- Liquid concentrates available in Blue, Dark Blue, and Black formulations
- Three shades of pond dyes for use in ponds, fountains, lakes, or lagoons
- When used at label rate will not stain birds or fish
- Harmless to humans as well as fish and wildlife
