VERSATILE

Ideal for removing debris, adhesive and residue from most surfaces

HANDLE STORAGE

Includes five 4" blades and cap with built-in screwdriver

The QEP® 4" Floor and Wall Scraper removes anything from stubborn build-up to dried adhesives. The screwdriver cap keeps the threaded interior clean for use with a threaded pole for an extended reach. Store the five included replacement blades in the cap with built-in screwdriver to make sure they don't get lost.

Additional replacement blades can be purchased separately (item 62901).
