INSPIRED BY LIVING

For us at Renin it is not just about a door, a room or a space. It's about how people live. At home, in an office or even in a hotel. It is about helping to make living better, easier and personally compelling for the people we touch with our interior solutions. We have been developing and evolving our offerings based on how life has been changing and what people want to change with it.

With over 50 years of design experience, we want to inspire and create accessibility for design excellence to all that want to be a part of it. No two spaces should be alike because no two people are. Our unique, design-centric offerings and vast distribution lets individualization come to life.

Pocket Doors

Want to save wall and floor space without compromising the beauty of your room? Our Pocket Door Frames & Hardware add flawless performance all rolled into one. Sturdy Track systems deliver a smooth, even glide every time.
