PROEAR® WIPES

Top Performance® ProEar® Wipes are formulated to gently remove discharge and ear wax from dogs' and cats' ears, and to help minimize odor and prevent infections. These handy cleaning wipes are safe, effective, and easy to use.

DIRECTIONS:

1. Peel off seal.
2. Pull wipe through travel pack opening.
3. Thoroughly and gently wipe underside of ear and around the base of the ears with Ear Wipes to remove wax buildup and discharge.
4. Use twice a week to keep ears clean and help reduce the risk of ear infections.
5. Reseal the package after opening to prevent wipes from drying out.
